

### Make a mobile for mum

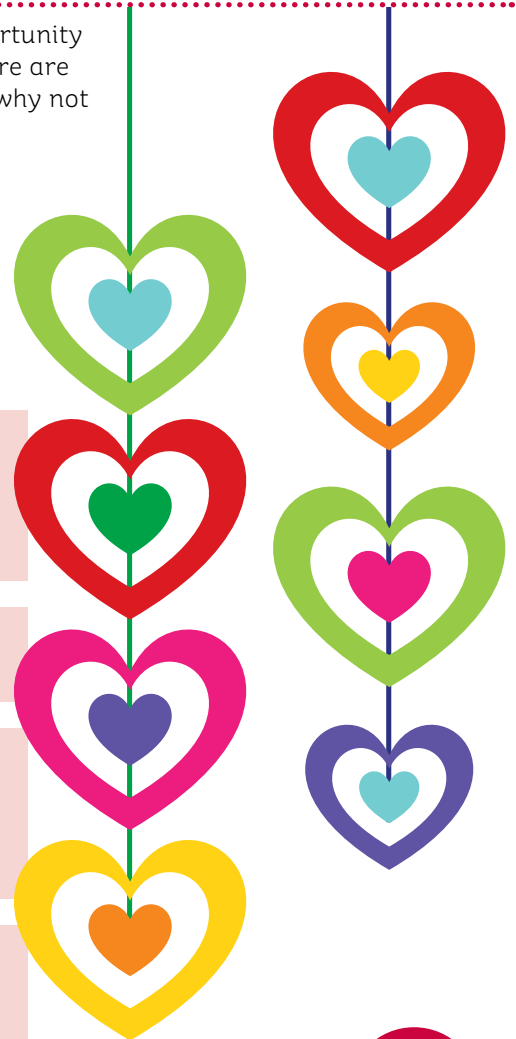

Mother's Day falls on **Sunday 26th March** this year in the UK, and it's an opportunity to say thank you to all our mums and the female role models in our lives. There are plenty of crafty ways you can help your children show their appreciation, so why not spend some time in your Breakfast Club sessions making something special?

#### Instructions

##### You will need:

- Card or thick paper – preferably in different colours
- Scissors
- Tape
- String/cotton

- 1** Start by getting children to cut heart shapes (or other shapes) out of the coloured card. Some of them will need to also have the middles cut out. You can print and cut out the template overleaf to help.
- 2** If you only have plain paper, you could cut out your hearts and decorate them using coloured pencils or glitter.
- 3** Place a long piece of string on a flat surface. Lay the shapes along the middle and tape them in place. If children cut a variety of shapes and colours, they can lay them inside each other.
- 4** Hang them in the window and watch the shapes spin round. You could try flowers, footballs, fruit or birds as alternative shapes!
